“Community is at the heart of Catholic Education, not simply as a concept to be taught but as a reality to be lived”

—Pope John Paul II

Mission Statement

Our Lady Queen of Angels School is a Roman Catholic parish school for grades K through 8. Our fundamental task is to educate the whole person – spiritually, morally, intellectually, and physically. We are dedicated to academic excellence as we prepare our students for success in high school and a lifelong commitment to Christian stewardship. Our school, in partnership with students and parents, strives to foster a safe, nurturing environment that promotes mutual respect among all.

OUR LADY QUEEN OF ANGELS CATHOLIC SCHOOL opened its doors to 140 students on September 21, 1964, to assist parishioners in the total education of their children.

After many years of planning, designing, and enhancements through community generosity, today our school consists of two classes for each grade, Kindergarten through eighth grade.

Our facilities are comprised of a separate Junior High wing for the 7th and 8th graders, a new and renovated primary and intermediate wing, a state of the art science lab, an enhanced computer lab, as well as an expansive library.

OUR LADY QUEEN OF ANGELS CATHOLIC SCHOOL has achieved this growth by holding steadfast to our Catholic values and moving forward as a Catholic community.

OUR LADY QUEEN OF ANGELS CATHOLIC SCHOOL is accredited through the Western Catholic Educational Association (WCEA) and Western Association of Schools and Colleges (WASC).

All students attend school Mass weekly. The students are further enriched by instruction in art, music, physical education, and technology.

Faculty

Our teachers are talented, dedicated, and state credentialed with many holding advanced and specialized degrees. They are regularly involved in a variety of professional development courses which model life-long learning for their students. They inspire spiritual growth, academic excellence, and unique talent development in each student.
